General Terms and Conditions

(1) The Pogo Card entitles the holder to discounted purchases at Dr. Pogo Vegan Shop in Berlin-Neukölln (Karl-Marx-Platz 24). Pogo card holders (PI) receive a 20% discount on the regular retail price of all loose, packaging-free goods for self-filling (except coffee, animal snacks and tofu), as well as fresh fruit and vegetables.

(2) The Pogo card bears the name and photograph of the holder. It is non-transferable and may only be used by the holder.

(3) The monthly fee for the Pogo card is between €7 and €17 (based on self-assessment). This is usually debited from the holder's account on the first business day of each month via SEPA direct debit. If the debit date changes, the PI will be notified by email.

(4) If it is not possible to collect the fee from the PI's account due to insufficient funds, we reserve the right to charge the PI for the costs incurred for the chargeback (usually 3 - 5 euros).

(5) In the event of loss of the Pogokarte, we reserve the right to charge a fee of 3 euros for the issuance of a new card. The initial issuance is free of charge.

(6) The Pogokarte is valid indefinitely. It can be cancelled by either party by the 20th of the current month to the end of the following month.

(7) All data collected in the course of the application process will be used exclusively for the creation of the Pogo Card and for the corresponding administrative tasks. No further use, either internal or external, will take place. The Dr. Pogo Vegan Shop Collective (Vegane Pampe e.V) undertakes to handle the collected data with care.

(8) The Dr. Pogo Vegan Shop Collective (Vegane Pampe e.V) will notify the card holder by email of any changes to the General Terms and Conditions. In this case, the card holder also has a special right of termination.

(9) The card holder's data will only be processed for the purpose of creating a pogo card and – if marked as desired on the application form, – sending the newsletter, and will be stored in accordance with statutory retention periods. It will not be passed on to third parties and will be deleted after the retention periods have expired. Its scope can be viewed by the card holder upon written request.
